Trim Design Options:

- Low Maintenance PVC Trim
- Smart Trim
- Cedar

	PVC Trim	Smart Trim	Cedar
Warranty	10 Years	3 Years	1 Year

Smart Trim and Cedar must be painted within 30 days of door installation to activate warranty.

Painting is not required for PVC Trim. Discoloration will occur where factory caulking is applied. PVC trim comes in stock white color that is not identical to the door's True White color option.

† A black garage door is not recommended for houses facing southwest and subject to extreme sun/heat exposure.

You can have the perfect garage door.

The good news is you do not have to design your garage door from scratch (although, that option exists). Today's garage doors offer a wide variety of customized features, allowing you to find a garage door that expresses your individual style.

COLORS

Delden steel doors arrive pre-painted; for custom colors, exterior latex paint must be used. Ask your Delden dealer for instructions on painting.

DECORATIVE HARDWARE
